SUMMARY

Self-driven and easily adaptable web developer with a passion for full-stack development that extends beyond work. A lifelong learner always looking for the next challenge and growth opportunity in work and life. Strong familiarity using HTML, CSS, JavaScript, MySQL, and Agile/Scrum methodologies in a front end development focused role building highly customizable user-centered web applications. Currently immersing myself in MERN coursework and projects in order to take my programming skill set to the next level.

TECHNICAL SKILLS

Tech Stack: JavaScript, React, HTML5, CSS3, Node.js, Git, JQuery, MySQL, Bootstrap, AJAX
Applications: Microsoft Office, Vscope, Eclipse, Trello, Jira, Adobe XD

EXPERIENCE

Front End Developer
JOA Software

5/2019 – 5/2020 (Furloughed presently)
Gilbert, AZ

Developed UX focused templates using HTML5, CCS3, JavaScript, and a JOA custom company framework. Communicated priorities of clients to the development team and led implementation of new features with agile methods. Produced quality code and features in a timely manner while always welcoming changing requirements and new challenges.

Key Accomplishments:

- Design and development of a new application from brainstorming to production-ready.
- Reformatted CSS of a large existing app to flexbox to make mobile friendly.
- Scrum lead of a team of 5 developers for various projects.

Bartender/Supervisor
Babbo Italian Eatery

1/2013 – 5/2019
Queen Creek AZ

Learned how to think from the perspective of the customer, develop relationships, provide the most seamless experience possible, and work effectively with a team. Trained new employees and helped maintain the standards of the company. Learned to adapt and thrive in ever changing situations.

EDUCATION

Bootcamp Certificate: University of Arizona, Gilbert, AZ

Present Intensive program focused on gaining technical programming skills in HTML5, CSS3, Javascript, JQuery, Bootstrap, AJAX, Node Js, MySQL, MongoDB, Express, Handelbars.js & ReactJS.

Associates Degree: Chandler Gilbert Community College, Gilbert, AZ

2018-2020

Completion date June 2020. Relevant coursework includes Intro to Java, Object Oriented Programming, Data Structures and Algorithms, and Discrete Mathematics.
